

# gallery walk

with Trilla

and Joe :)

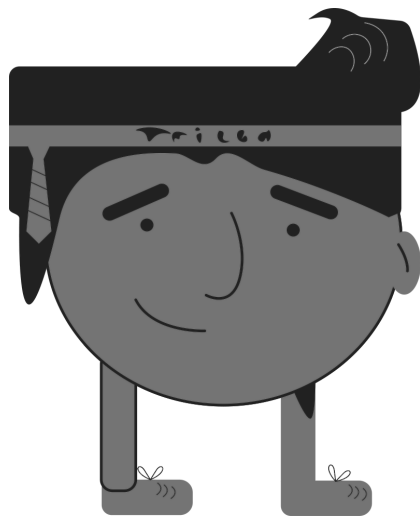

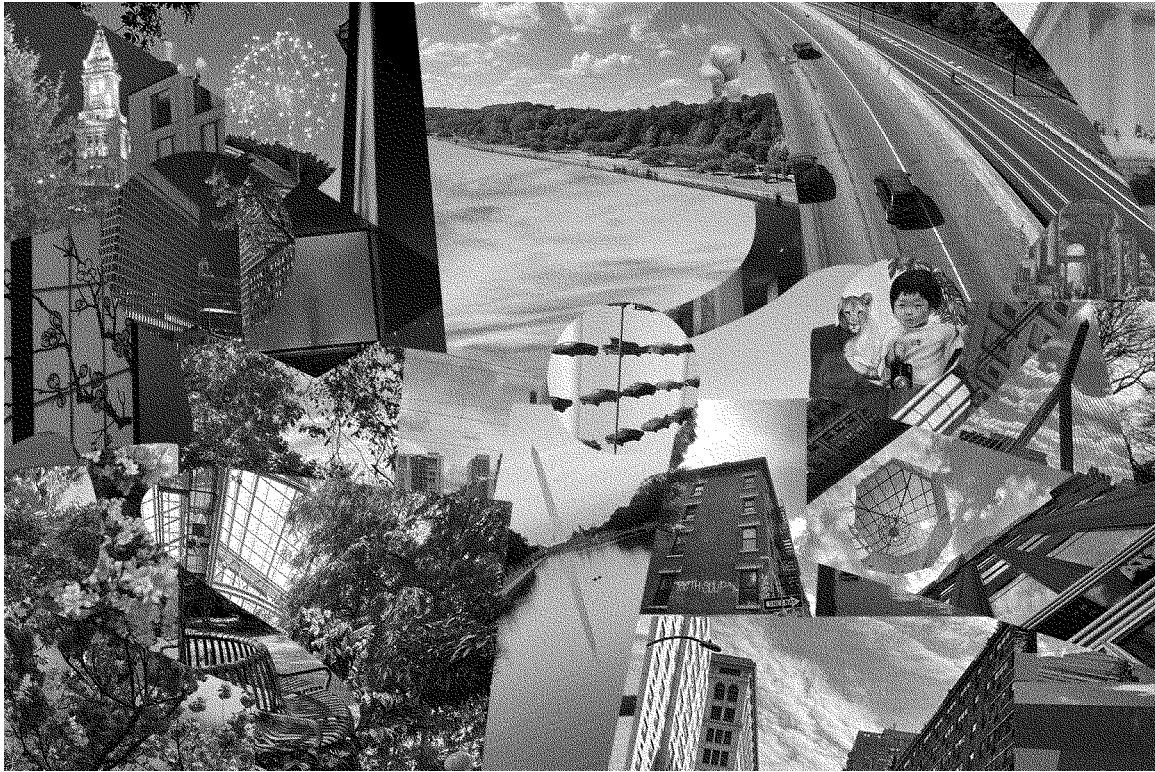

hey! i'm Trilla! let's take a trip together!

so pretty! let's keep going! i'm having fun!

o no...  
where'd all  
the color go?  
things are  
starting to get  
a little fuzzy...

well I **guess** that's a little better! but I do appear to be **separating** a little bit...
